

Dear Families,

I wanted to give you some information about lunches at Pinehurst. Families have the option of purchasing lunches through Fare Start or bringing a lunch from home. Fare Start offers regular, vegetarian and allergen-free lunches. If you are interested in signing up for lunches, please fill out the attached form and return to the office. I will need at least a one week notice before your child can start receiving lunches.

If you decide to send a lunch from home for your child it needs to contain a serving of protein, a serving of grain, a serving of fruit and a serving of vegetables. We are also a peanut free center so please do not send items containing peanuts or peanut butter. You do not need to send a drink since Pinehurst provides milk for all of the children at breakfast and lunch time. If your child will not be drinking milk during meal times, we will need a doctor's note stating that your child should not drink milk and what alternative beverage should be given.

Please stop by the office if you have any questions or would like to see the lunch menu from Fare Start.

Hot Lunch/Fare Start Program

Request Form – A one-week notice is necessary for start/cancellation of meal service.

Child's Name: _____ Start Date: _____

I would like to (choose one)
